A HOT TIME.

Scene of Tumult in the Convention at St. Joseph Tuesday.

The Delegates Instructed for McKinley—Free College Announced.

ST. JOSEPH, Mo., May 12. Early this morning Chairman Bittinger of the committee on local arrangements at the Republican State convention ordered that a force of police should take charge of the Opera House and refuse admission to any person having a ticket. This was the result of a vote by the delegates.

Bittinger refused this point blank and a riot was followed.

The delegates were lined up in front of the building and before 10 o'clock packed, peeping and swearing under a boiling sun.

The delegates elected from St. Louis were in line. After a conference it was decided by Bittinger to give tickets to each congressional district and in addition 100 tickets to the State Committee.

Tickets were distributed shortly after 11 and a grand rush was made for the Opera House.

At 12:15 Chairman J. Filley succeeded in gaining entrance. He was charged to find his way through the crowd.

Mr. J. C. Kears, Mayor of St. Joseph, Bittinger, and others of the anti-Filley faction, who had made an extra charge on a side in the Opera House.

Shortly afterwards the delegates were lined up in front of the building and before 10 o'clock packed, peeping and swearing under a boiling sun.
